**Re: Funeral Services Acquisition Group, Inc.  
Appeal of Hearing 02-3-CZ9-1 (02-319) (hereinafter "Application")**

Dear Ms. Williams:

Enclosed please find the Appeal of the above-captioned matter.

We hereby request that this Appeal be expedited and brought as soon as possible before the Dade County Commission.

As grounds for expediting this Appeal we submit the following:

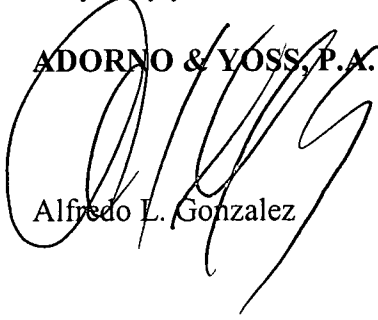

- 1) That this application although recommended by the Miami-Dade County (hereinafter "County") professional staff has been delayed by various changes to the covenants and site plan as well as hearing deferrals in order to comply and meet the concerns of the surrounding neighbors; and
- 2) The City of Doral may soon be a city but its zoning process will not be in place and that will certainly serve to delay our client's proposed project unfairly; and
- 3) Our client has relied on the existing County Master Plan and zoning process and have paid substantial fees to the County in the expectation that the County process would determine its rights and obligations under the Application.
